LGPS: new challenges

Eversheds public sector "Northern Round Up"

Following our successful 2016 public sector pensions conference, by request, we are putting on an extra date for those who were unable to make the conference. The content of this "Northern Round Up" session will be the same as our conference, where we will take a look at some of the key legal challenges impacting public sector pensions and in particular the LGPS.

We will provide an update on LGPS pooling and will also be covering the 2016 valuations, New Fair Deal and the Best Value Direction and an update on legal and Brexit issues.

The Northern Round Up session will be relevant to pension managers, HR, finance, investment and other professionals across the public and private sectors with an interest in the LGPS and other public sector pension schemes.
